RATING	UL, Energy Star	
POWER REQUIREMENTS	120/277V AC	Please specify
WATTS	2-4Watts per linear ft	fluorescent is 10 watts per foot
MOUNT	25 year tape or dogear	

The LumiLast Linear LED Strip is a great alternative to fluorescent tubing for numerous applications including cove lighting, and tray ceilings. Changing to Linear LED is simple and easy. Linear LED Strips provide years of maintenance, bulb and ballast savings combined with an amazing wattage reduction.

LimeLumi and our installers make sure to recycle all the fluorescent tubes we remove.
